B. Background, Description and Objectives of the Activity

SEAMEO Secretariat together with SEAMEO Center Directors in Indonesia has initiated series of consultation meetings to design a 3- yr Action Plan for the Presidency of Indonesia in SEAMEC in 2017. Consultation meetings were held with the Directorate Generals of the Ministry of Education and Culture (MoEC) and Directorate General of Learning Ministry of Research Technology and Higher Education from August 9th to 12th 2016 in MoEC office in Jakarta.

In this meeting, SEAMES together with 6 centers' Directors from SEAMEO BIOTROP, SEAMEO Qitep in Language (SEAQIL), SEAMEO Qitep in Mathematics (SEAQIM), SEAMEO Qitep in Science (SEAQIS), SEAMEO RECFON, and SEAMEO SEAMOLEC presented the flagship center's programs that have been implemented and given significant impacts to education development. The consultation meetings have resulted to possible cooperations as listed.

C. Participants (pls see attached directory of participants – Annex 1)

D. Organizer/s

SEAMEO Secretariat and MOEC with SEAMOLEC

E. Highlight of the Activity/Summary Points (PLs see attached the Final output- Brochure which combined output on the 3-year agenda and the photos)

F. Role/Participation of SEAMEO

SEAMEO Secretariat coordinated the meeting, led the meeting and drafted the output for finalization

G. Follow-up Actions Needed

1. There is a need to develop a concept note on flagship projects to be done from 2016 to 2020. A follow – up meeting is required which is to be convened on 23-25th of August in Jakarta, Indonesia
