 - EU Share Learning Agreement
 - Share Charter
 - University Information
 - TOR
 - Credit Transfer Scheme
- (2) SEAMEO RIHED also presented the SEAMEO AIMS programs as well as other mobility programs
- (3) Issues and challenges in implementing mobility and CTS were discussed especially in terms of student support services
- (4) The Share Platform was shared and tried by the participants

F. Role/Participation of SEAMEO

1. SEAMEO Secretariat DDPD presented the SEAMEO Education Agenda esp on Priority no. 6. DDPD led the workshop and discussions

G. Follow-up Actions Needed/Recommendations

- SEAMEO Secretariat should utilize the mobility tools like the one that was developed by EU Share for all its mobility programs (particularly the SEA Teacher Mobility) to be able to protect students who participate in intercountry and inter-regional exchanges. As much as possible, the student mobility programs should be endorsed to SEAMEO RIHED as SEAMES is not supposed to be an implementing unit for inter-university exchanges.
