

Mission Report
9th SEAMEO QITEP IN Mathematics Governing Board Meeting 2018
Grand Inna Kuta Bali Beach
17-18 September 2018

Prepared by
Dr Ethel Agnes P Valenzuela
Deputy Director for Programme and Development

A. SEAMEO Officials and Staff Member on Mission

- Dr Ethel Agnes P Valenzuela, Deputy Director for Programme and Development

B. Background, Description and Objectives of the Activity

- SEAMEO Governing Board Meetings is a meeting of the policy making body of a SEAMEO Regional Centre and Network. In the Organizational structure of the SEAMEO Centres the Governing Board is the decision making body which determines the direction of the Centres in providing regional leadership in human resource development and diverse expertise in the areas of education, science and culture.
- GBM provides assistance to the SEAMEO Centres and is the intermediary body between the Council and the Regional Centres or Networks.
- GBM is a screening committee for SEAMEO High Officials before matters on policy and administration are communicated to the Council.
- The 9th SEAMEO QIM GBM took place at the Grand Inna Kuta Hotel in Bali, Indonesia

C. Participants

- SEAMEO QIM officials
- Seven GB members
- MOEC Officials

D. Organizer/s

- SEAMEO QITEP in Mathematics Officers
